FRAC SERIES · REMOTE

Cold, open and easy to reach

FRAC open display fridges use a double air curtain to hold chilled air in front of the shelves, so customers can pick products freely while they stay at 3°C to 8°C. Black exterior, white interior, four LED-lit shelves and two-pane glass side panels.

- Double air curtain design
- Adjustable shelves with LED light
- Surrounding air-cooling for even temperature
- Energy saving, high efficiency
- Intelligent temperature controller
- Multiple shelf options
- Low front opening edge
- RAL colour choices
